I have lots of ways to communicate. One of the ways I communicate is with words in the LAMP Words for Life app.

4

This is the symbol I use now to open my LAMP Words for Life app. Then I can see my words. Then I can talk.

5

Sometimes things change. The LAMP Words for Life app symbol is changing. My words will be the same.

6

Even though the symbol is changing, my words will stay the same.  
I will use the new symbol to open my words.

7

The LAMP Words for Life app symbol is changing for everyone. All of the people who use LAMP Words for Life will use the new symbol to see their words.

8

I will use the new app symbol to open LAMP Words for Life. I will find my same words.  
I will be able to tell others what I think and feel.

The end.
