AAC Through the Lifespan: It Takes a Village!

Gather with other AAC professionals like you this Spring for collaboration and capacity strengthening. Each summit gets better and builds on the next. Worcester promises to be a full day of learning and connecting on a variety of topics that have lifespan impact. View sessions and speakers: prc-salttillo.com/articles/northeast

What You Can Expect

- A safe, relaxed space with approachable leaders for sharing stories and learning skills and strategies
- Time with those who are passionate about AAC and experiencing that passion multiply
- Conversations around what is possible in AAC and how best to support individuals with AAC
- Hands-on time with devices to help build skills and practice features and functions relevant to your AAC users
- SO many lightbulb moments!
